Three rows of empty boxes for writing answers, each row containing 20 boxes.

[illegible]

Figure 1 illustrates the structure of the data. It shows three horizontal bars, each composed of 10 segments. The top bar (a) is 10 segments long, starting at the left edge and ending at the 10th segment. The middle bar (b) is 20 segments long, starting at the left edge and ending at the 20th segment. The bottom bar (c) is 10 segments long, starting at the 10th segment and ending at the 20th segment. The bars are labeled 'a', 'b', and 'c' respectively.
