A diagram consisting of four horizontal rows of small, empty rectangular boxes. The first three rows are each 20 boxes long, and the fourth row is 10 boxes long.

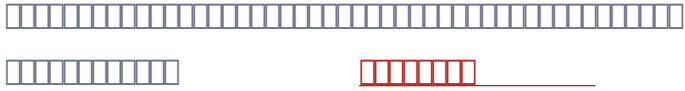

--	--

Diagram illustrating the instruction format (32 bits):

- Top 32 bits: 32-bit register
- Middle 32 bits: 32-bit register
- Bottom 32 bits: 32-bit instruction (divided into 2-bit opcode, 6-bit register index, and 24-bit immediate value)
