App

[illegible]

Figure 1: A diagram showing the layout of a 1000-word text on a page. The text is arranged in four columns. The first column contains 250 words, the second 250 words, the third 250 words, and the fourth 250 words. The diagram illustrates the distribution of words across the page, with labels indicating the number of words in each column and the total number of words on the page.

1

[illegible][illegible]

Diagram illustrating the instruction format (32 bits):

- 30 bits: Opcode
- 5 bits: Register number
- 3 bits: Shift amount
- 1 bit: Write-back control

5

[illegible]

Diagram illustrating a memory layout with a total size of 4096 bits. The layout is organized into four rows of boxes, representing memory segments. The first row contains 16 boxes, and the subsequent three rows each contain 256 boxes. The label "App" is positioned to the right of the first row.
