 2026-09-03

The diagram consists of a vertical red bar on the left side. To its right, there are three horizontal bars of different colors and lengths. The top bar is white with a black outline and contains 12 small black squares. The middle bar is light blue with a black outline and contains 24 small black squares. The bottom bar is dark red with a black outline and contains 10 small black squares. The bars are arranged vertically, with the white bar at the top, the light blue bar in the middle, and the dark red bar at the bottom.
