Diagram illustrating the number 70 as a sum of tens and ones. The first two rows show 20 ones (2 tens). The third row shows 10 ones and a large gap, with the number 7 written next to it. The fourth row shows 20 ones (2 tens). The fifth row shows 10 ones (1 ten). This represents 70 as 2 tens + 1 ten + 7 ones = 3 tens + 7 ones.
