

[illegible][illegible][illegible]

The diagram illustrates the process of assembling a sentence. At the top, individual words are shown as separate boxes: "The", "cat", "sat", "on", "the", "mat", "and", "drank", "milk". Below these, the words are grouped into two rows, each enclosed in quotation marks: "The cat sat on the mat" and "and drank milk". The final row shows the complete sentence assembled into a single long box: "The cat sat on the mat and drank milk". To the right of the assembled sentence, the word "App" is written.
