The image shows two horizontal bars. The top bar is a single continuous line representing 100%. The bottom bar is a single continuous line representing 75%.

A grid of 80 boxes arranged in 4 rows and 20 columns, intended for writing answers.

[illegible]

Diagram illustrating the relationship between the length of the bar and the value of the variable x . The top bar is the shortest, the middle bar is medium length, and the bottom bar is the longest. To the right of the top bar, there is a double quote followed by a shorter bar.
